A screenshot of a Windows desktop environment. The main focus is a registration form titled "Register" displayed in a light-colored box with rounded corners. The form includes fields for "NAMA LENGKAP" (Full Name) with placeholder text "Masukkan nama Anda...", "ALAMAT EMAIL" (Email Address) with placeholder text "nama@email.com", and "KATA SANDI" (Password) with a redacted password field. A large yellow button at the bottom center contains the text "DAFTAR SEKARANG" (Register Now). Below this button, a smaller text link says "Sudah memiliki keanggotaan? [LOG IN](#)". The background of the desktop is a blurred photograph of a modern living room with large windows, a sofa, and a potted plant. The taskbar at the bottom shows various pinned icons, including Microsoft Edge, File Explorer, and several application icons. The system tray on the far left indicates two notifications. The status bar at the bottom right shows the date and time as "16/02/2026 14:08".
